Introduction

Dear Patrons,
We feel pleasure to introduce, "Maggo Industrial Corporation", started in 2003, as one of the leading automobile manufacturer, Exporter and Supplier; based in national capital of India. We offer various auto spare parts and customized precision auto parts for replacement market.

An ISO 9001:2008 Certified Co. having core competency in brake parts manufacturing, assured total quality products, backed by R&D Deptt., high skilled staff, Automatic machinery, quality control labs & technocrats and raw material selection experts. We maintain quality as per original specification, stage wise checking and latest tolerance reduction methodology.

Our enduring passion and commitments to work has helped us to create an ever reliable brand M4U (Manufacturing For You).

Our Management feel highly grateful for the kind acceptance of our products & blessing and hearty cooperation received by us from our worthy clientele and consumers in the past are gratefully acknowledged by us. We sincerely reciprocate the gesture with our assurance of prompt attention and full cooperation always.

We shall feel obliged to receive valuable suggestions to improve our quality & services.

Thank you.
